Pastor's Corner

Dear Parishioners,

Our parish Mission is scheduled for Wednesday, Thursday, and Friday, of March 20, 21 and 22, just a week and a half from now, and to be held in the evenings at Good Shepherd with Mass, Presentation, and time for confession. And since our guest speaker does not represent a religious congregation or missionary endeavor, we are going to support a need that is closer to home. In the Diocese of Yukon, St. Theresa's Parish in Telegraph Creek suffered the loss of both the church and the rectory due to a fire several months ago. We asked Bishop Vila (Diocese of Whitehorse) if he would be willing to let us help in the rebuilding of these facilities with the collection taken up at our Lenten Parish Mission, and he was happy to give us his blessing.

In the coming week, we will include a message from Bishop Vila and some pictures of the sad situation caused by the fire so you have some idea of the challenges facing this small community. And through God's grace, an anonymous donor has come forward with the commitment to match whatever is donated by all of us, to the extent of \$50,000, for this worthy cause. We will have envelopes handy during the Mission and on the weekend that follows for your convenience.

I want to encourage all of us to attend the 3 evenings of our parish Mission, as it is an opportunity for prayer, reflection, and almsgiving. Because we will be focusing on coming together as one community, Mass will only be in the evenings at 6:30pm for those 3 days (i.e. no 8am Mass at Good Shepherd Church or 9am Mass at Star of the Sea Church on March 20, 21 and 22).

On a very practical note, we are trying to update the Parish database with everyone's email address, so that we can save a lot of postage expense with our mail outs being done electronically. So we're asking you to help by filling out the small card  with your email info.

We're looking ahead to the Project Advance Appeal, the sending of our financial statement for last year, and a parish newsletter, all of which can be done inexpensively through the email system. Thanks for your cooperation.

Have a good week, *Fr. Dion*

Mar 17 2nd Sunday of LENT

Dear Brothers and Sisters,

Each year, through Mother Church, God gives us this joyful season when we prepare to celebrate the paschal mystery with mind and heart renewed... as [we recall the great events that gave us new life in Christ](#). We can thus journey from Easter to Easter towards the fulfilment of the salvation we have already received as a result of Christ's paschal mystery – “for in hope we were saved” (Rom 8:24). This mystery of salvation, already at work in us during our earthly lives, is a dynamic process that also embraces history and all of creation. As Saint Paul says, “the creation waits with eager longing for the revealing of the children of God” (Rom 8:19). In this perspective, I would like to offer a few reflections to accompany our [journey of conversion](#) this coming Lent.

[THE REDEMPTION OF CREATION](#)

The celebration of the Paschal Triduum of Christ's passion, death and resurrection, calls us yearly to undertake a journey of preparation, in the knowledge that [our being conformed to Christ is a priceless gift of God's mercy](#). When we live as children of God, [redeemed](#), led by the Holy Spirit (Rom 8:14) and capable of acknowledging and obeying God's law... we also benefit creation by cooperating in its redemption. That is why Saint Paul says that creation eagerly longs for the revelation of the children of God... [all those who enjoy the grace of Jesus' paschal mystery may experience its fulfilment in the redemption of the human body itself](#). ...Yet in this world, the harmony generated by redemption is constantly threatened by the negative power of sin and death.

[THE DESTRUCTIVE POWER OF SIN](#)

Indeed, [when we fail to live as children of God, we often behave in a destructive way towards our neighbours and other creatures, and ourselves as well, since we begin to think that we can use them as we will](#). Intemperance then takes the upper hand: we start to live a life that exceeds those limits imposed by our human condition and nature itself. We yield to those untrammelled desires of those who act without thought for God or hope for the future (Wisdom 2:1-11). The root of all evil, as we know, is sin, which from its first appearance has disrupted our communion with God, with others and with creation itself, so that the garden has become a wilderness (Gen 3:17-18). [Sin leads man to consider himself the god of creation](#), to see himself as its absolute master and to use it, not for the purpose willed by the Creator but for his own interests, to the detriment of other creatures. Once God's law, the law of love, is forsaken, then the law of the strong over the weak takes over. The sin that lurks in the human heart (Mk 7:20-23) takes the shape of greed and unbridled pursuit of comfort, lack of concern for the good of others and even of oneself. It leads to the exploitation of creation, both persons and the environment, due to that insatiable covetousness which sees every desire as a right and sooner or later destroys all those in its grip.

[THE HEALING POWER OF REPENTANCE AND FORGIVENESS](#)

Creation urgently needs the revelation of the children of God, who have been made “a new creation”. For “if anyone is in Christ, he is a new creation; the old has passed away; behold, the new has come” (2 Cor 5:17). The path to Easter demands that we renew our faces and hearts as Christians through repentance, conversion and forgiveness, so as to live fully the abundant grace of the paschal mystery. This “eager longing”, this expectation of all creation, will be fulfilled in the revelation of the children of God, that is, [when Christians and all people enter decisively into the “travail” that conversion entails](#). All creation is called, with us, to go forth “from its bondage to decay and obtain the glorious liberty of the children of God” (Rom 8:21). [Lent is a sacramental sign of this conversion. It invites Christians to embody the paschal mystery more deeply and concretely in their personal, family and social lives, above all by fasting, prayer and almsgiving.](#)

FASTING is, learning to change our attitude towards others and all of creation, turning away from the temptation to “devour” everything to satisfy our voracity and being ready to suffer for love, which can fill the emptiness of our hearts. **PRAYER**, which teaches us to abandon idolatry and the self-sufficiency of our ego, and to acknowledge our need of the Lord and his mercy. **ALMSGIVING**, whereby we escape from the insanity of hoarding everything for ourselves in the illusory belief that we can secure a future that does not belong to us. And thus to rediscover the joy of God's plan for creation and for each of us, which is to love him, our brothers and sisters, and the entire world, and to find in this love our true happiness.

Perpetual Adoration Chapel

When we are with Jesus, wonderful things begin to happen in our hearts. There is power in the Blessed Sacrament. That small piece of bread is Jesus present with us in a way we can understand. God created us for intimacy and connection with each other and him. And since we are corporal creatures, Jesus gave us his body in the Eucharist as a tangible reminder of his constant presence. We are invited to be with his body through Mass and Eucharistic Adoration.
